Mattapoisett Election

SUZAN WINS SELECTMAN'S RACE

Forty-six percent (1403 voters) turned out to vote in Mattapoisett's annual town election despite a driving snowstorm which got worse as the day wore on. Four hundred people voted in the first hour the polls were open.

Frank Suzan with 1046 votes won the seat on the Board of Selectmen against Donald Linhares who received 347 votes. Mr. Linhares served as Selectman from 1968 to 1977. Incumbent William F. Hubbard did not run for re-election.

In the Mattapoisett School Committee race Maureen Duff Best unseated Susan A. Hottel with 760 votes to 596.

Sonja Stone Peterson with 880 votes won a two-year seat on the Board of Health to fill a vacancy. Her opponent, James E. Rogers, who was appointed to the position last year after the resignation of Louis Corey, received 456 votes.

In the Planning Board race William H. Matthews who served on this board from 1961 to 1970 bested his opponents with 573 votes to win a seat on the board. Raymond M. Cabral came in second with 428 votes and James E. Hackett, III was third with 297.

Running unopposed were Kathleen F. Briggs, Treasurer and Tax Collector, 1220 votes; John D. Gibbons, Assessor, 1061; Beatrice Johnson, Trustee of Public Library, 1201; Richard W. Blasdale, Moderator, 1206; Ralph E. Wordell, Water Commissioner, 1199; John C. Bowman, Board of Health, 1201; Manuel R. Nunes, Jr., Highway Surveyor, 1207; Wesley N. Bowman, Tree Warden, 1215; and Antone J. Nunes,

Voters approved a question on the ballot asking if the Water Commissioners should also act as Sewer Commissioners. The vote was 985 in favor and 144 against and 274 blanks.

Out of a Blizzard

Editorial, D.C.J.

It was a horror of a Spring day. The raging storm, swirling snow, an insult to the senses. Everyone having survived the gray chill of winter was looking with lifting spirit to the longer day and warmer sun. And now this! And on ELECTION DAY!

Well, when the voters were counted in Mattapoisett, an incredible 46% of the town's voters had fought their way through the blizzard to make their vote count. Every candidate on the ballot should consider this effort as tribute to the interest aroused among the rest of the townspeople. This percentage of vote, under these conditions, is nothing short of phenomenal.

Mattapoisett voters can lay claim to distinguished effort. Let it be known as the Spirit of the April Blizzard 1982.

Town Reports Ready

Mattapoisett Town Reports for 1981 are now available and may be picked up at the Selectmen's Office, Mattapoisett Town Hall.

50 Years Observed

GOLDEN ANNIVERSARY FOR MARION POST

The Benjamin Cushing Post 2425 VFW and Auxiliary celebrated their 50th anniversary with a banquet and dance at post headquarters in Marion on Saturday, April 10.

Highlighting the program was the reading of the history of the post by Past Commander Louis E. Hodelette, who was master of ceremonies. He paid tribute to the founders of the post, George Dunn and Alfred L. Little who named the post after Private First Class Benjamin D. Cushing, of Marion, killed in action August 28, 1918, in Juvigny, France. Of the original 40 charter members only one, Benjamin Dexter, survives. Mr. Dexter attended in his original post uniform and displayed the best of parade trophy he was awarded for marching in the Veterans' Day Parade of 1981. A memorial

tribute was observed for Louis Garty, charter member and Past Commander (1935-36) who died this past week.

Selectman Joseph Zora, past commander 1959-60, thanked the post on behalf of the Town of Marion. He said that the Board of Selectmen has always depended on the post for staunch support in any project to benefit the community. Eighty-six different projects have been successfully carried through including 4 ambulances, jaws of life and other such vital necessities to the health and safety of Marion people. The Tabor Library of Marion is now the recipient of great help from the post as funds are raised for expansion and part of the VFW headquarters is now in use to house the library's books during the building renovation process.

Senator and Mrs. William Q. MacLean were guests of honor and Senator MacLean spoke briefly to congratulate the post and to pay tribute to the community service that it stands for. Representative Charles Decas was represented by William LeFavor who presented a citation from the Massachusetts

A Salute to Golden Days

Editorial, D.C.J.

I would like to add our congratulations to the many received by the Benjamin Cushing Post 2425 VFW in Marion. The Post has been in existence for some 50 years. My interest is a personal one because for some 25 of those years we have met every Memorial Day at the VFW monument and recorded the simple, moving ceremonies of the day. I have always been proud to stand among these men who served country and served community so unselfishly and so very well. There is a great significance in this continuing line of generosity toward country and town. It has nothing

to do with the military aspect. No one hates war quite so deeply as men who have been to war. Rather, it has to do with deep devotion to a land we all love. It had to do with a spirit of sacrifice of self in order to keep a country and a freedom strong for the next generation to enjoy. It stems from a deep appreciation of the past sacrifices of men, which allow us to enjoy the benefits of this free society.

I trust this spirit remains strong and steady because, if it ever goes out, there is nothing but darkness. You don't inherit freedom. Every generation has to earn it anew and pass it on - a torch to give hope to our world.

Mattapoisett Seniors

Because of the postponement of our meeting during Holy Week, our first April meeting is this Thursday, April 15th, at 1:30 p.m. at St. Anthony's Church Hall. We shall have as our speaker Mr. Brian Barnes. Mr. Barnes, who now lives at Point Connett with his wife Elizabeth (Lisa) and children, was an English Army officer, a graduate of Sandhurst (the English equivalent of West Point) and is now an author and occasional lecturer. His subject, at our suggestion, is how he, a British Army officer, changed his career, came to this country, and finally determined to be an author. We hope that he will tell a little about his new book, Time and Chance,

Marine Awarded Medal

Sergeant Randall Chandanais has been awarded the Navy Commendation Medal for his heroic achievement on September 5, 1981.

Sergeant Chandanais of the United States Marine Corps while serving as a Marine Security Guard, American Embassy, Kuala Lampur, Malaysia heard cries of a Malaysian National to help two relatives who were drowning and with complete disregard for his own safety and fully aware of the personal dangers involved, swam out to where the two foreign nationals were and effected their rescue. His citation also reads: "By his courageous and prompt actions in the face of great personal risk, Sergeant Chandanais undoubtedly saved the two foreign nationals from drowning; thereby reflecting credit upon himself and upholding the highest traditions of the Marine Corps and the United States Naval Service."

Sergeant Chandanais is the son of Ms. Marilyn Chandanais of 8 Brandt Beach Avenue, Mattapoisett, and Raymond J. Chandanais of Gloucester.

EASTER "EGGSTRAVAGANZA"

On Tuesday, April 6, Mr. Spark's and Mrs. Pallatroni's kindergarteners at Center School in Mattapoisett were treated to storytelling by 7 West and 8 South students from Old Rochester Regional Junior High School.

Mrs. Elaine LaFleur's and Mrs. Patricia Harriman's English classes wrote original Easter stories. Then, the stories were made into books complete with illustrations. On Tuesday, about fifteen students from 7 West and 8 South went to the Mattapoisett morning kindergarten classes to deliver and read their stories. Each kindergartener took home his book along with a "Marshmallow bunny treat" assembled by Miss

In addition, two Talent Pool students, Kevin Keene and Ricky Regan, videotaped the storytelling session. Mrs. Gail Evangelo supervised their project.

Although the afternoon kindergarten was snowed out, books and treats were sent to them. Also, the "eggstravangza" was shared with the GLD students at the junior high.

This Easter project was the final phase of community service storytelling for kindergartens. Halloween stories were read to Marion kindergarteners and Christmas was shared at Rochester Memorial.

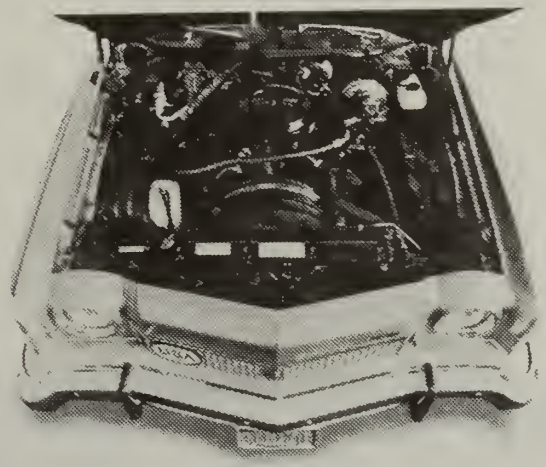
A dirty cooling system is destroying this engine and you can't even see the damage.



There's more to your car's cooling system than meets the eye. In fact the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

Your automobile manufacturer recommends cooling system maintenance on a regular basis, so act now. Because when you can see the damage it'll be too late.

about erosion control. Mr. Springer showed slides of some of his current projects, one of which was planting three miles of beach grass along Long Beach in Plymouth. He explained that the purpose of planting beach grass is to prevent beach sand from eroding. By restoring the Plymouth area, the Massachusetts Audubon Society reports that the largest colony of terns are now nesting in that southeastern Massachusetts area. In addition to shrubs, fences, and railroad ties being strategically placed to prevent erosion, automobile tires are attached to one another and anchored to the ocean floor to reduce the force of waves from eating away at the shoreline. By the time Mr. Springer concluded his presentation, the students were well aware of the importance of controlling erosion along our beautiful Massachusetts coastline.

Thank you, Voters

I would like to thank the voters of Mattapoisett for their support in our recent elections. I am looking forward to working on the School Committee and appreciate the opportunity.

I would also like to applaud the voters, those who were able to vote early and did, as well as those who had to vote in the afternoon and evening when it really was an effort.

Thank you again.

beautiful part of himself, in his sensitive poetry.

All artwork has been donated by Leo's former students, and graduates of Swain School of Design.

On sale will be lithographs, silkscreen prints, wood prints, etchings, pen and ink drawings, pastel drawings, watercolors, oil paintings, sculpture and photographs.

These varied art pieces are the works of forty different artists and represent their deep feelings for Leo Kelley.

The donations of art are from local artists, as well as artists spread across our country.

There is something there for everyone, so please drop in and look around.

This is an exciting collection of artwork.

The sale has been organized by Ellen Osborn of Marion and Geraldine McKeone of Mattapoisett, both former students of Leo Kelley.

International Food Sale

The Tobey Hospital Guild is planning an exciting International Food Sale to be held on April 30 from 10 a.m. to 3 p.m. at St. Patrick's Hall, High Street, Wareham.

"Take Home a Supper" will be the theme, as delicious ethnic dishes representing various countries will be offered for sale.

From O.R.R.

On Friday, April 2, fifteen Old Rochester Regional juniors and seniors saw a film entitled "Option for Excellence" put out by the College Board Service. The film outlined the Advanced Placement testing program that is offered throughout the country. Each spring approximately 135,000 high school students take Advanced Placement exams in English, History, Calculus, Music, Art, foreign languages and the sciences. The exams are

graded on a five-point scale by carefully selected professors and AP teachers. Students who receive a score of three or better may receive college credit and/or advanced placement in college courses.

Although the cost of $42 may seem high, the benefits of AP exams are numerous. Advanced placement in college allows a student to avoid repeating work. In addition, a student may have the opportunity to enroll in special programs, take honors courses or explore new areas of study. Receiving the score required by a specific college may give a student college credits which could mean a saving of several hundred dollars in tuition costs. Students who have done well on AP exams have proven statistically to be very successful throughout their college careers.

Former students at Old Rochester Regional High School have taken AP exams in French, Spanish, Calculus and the sciences. Many have received college credits or advanced placement. This year five students will take the Calculus exam, twelve will take the Physics exam and one will take the Latin exam.

Old Rochester Regional High School offers a specific Advanced Placement course in Calculus. Honors level courses in the sciences and foreign languages have also prepared Old Rochester students to be successful on AP exams.

Letter to the Editor

Even at the risk of causing additional stomach disturbances, I do think it is essential that once again an attempt should be made to straighten out a very important point. So, D.C.J. and Ladies, please note! A MUTUAL VERIFIABLE NUCLEAR WEAPONS FREEZE is what the advocates of a MUTUAL VERIFIABLE NUCLEAR WEAPONS FREEZE are talking about, nothing more, nothing less.

They certainly are NOT talking about a "Nuclear Weapons Freeze" or a "United States Weapons Freeze" or for that matter a "Nuclear Disarmament Freeze" whatever those things may mean.

The word" MUTUAL" is a key word, and in this case it means the US and the USSR TOGETHER, not either by itself.

The word "VERIFIABLE" is another key word, and it means that there will always be checking on what each side does. There is no mention of anyone trusting anyone. In fact, for a person to expect two countries as different as the USSR and the US to trust each other is down-right mistaken.

The words "NUCLEAR WEAPONS" are also keys, because it is ONLY those weapons and their delivery systems that are being considered. The word "FREEZE" simply means stop testing, producing, and deploying. Obviously if that can be achieved, there will still be enormous problems to be solved. What will have been lessened will be the chance for global suicide!

There is NO call for disarmament, nuclear or conventional.

There is NO call for unilaterial disarmament.

There is NO call for nuclear disarmament.

There is just a statement saying basically enough is enough, do not continue without at least trying to stop the insanity of the nuclear arms race!

LENT MEANS SE[redacted] MEANS THE CHOWDER HOUSE

As for the listing of So[redacted] your recent editorial, I [redacted] agreement. I also recognize that the idea of nuclear deterence, or as it is commonly called MAD, standing for mutual assured destruction is what in large part has kept both nations from attacking each other in the past, but an unending arms race does NOT strengthen that deterence, it WEAKENS it.

The final point I would like to try to make is that while the Commanders-in-Chief in both the Soviet Union and America are of necessity in command of their ARMED FORCES, it is only in the Soviet Union that "What the people under Communist rule think does not matter". Here in America our President is an elected official, and our government is one of the people, by the people, and for the people and there is NOTHING that [redacted] atters more than what the PEOPLE decide. [redacted] f there is anything foolhardy or unpatriotic, it is to be found in dupes who want to replace the will of the people by desires of an unquestioned national leader, no matter who he is.

Fellow citizens, think carefully what YOU want our country and its government to do, and if YOU want a MUTUAL VERIFIABLE NUCLEAR WEAPONS FREEZE then vote for it at your Town Meeting.

Students Help Famine Relief

Almost a thousand students at Southeastern Massachusetts University tasted hunger one day a month ago to help alleviate the hunger of the poor in third world countries.

By skipping dinner, 945 students who live on campus and eat in the residence dining hall contributed $1,181.25 through the SMU

dining service to Oxfam America, a non-profit organization manned by volunteers that distributes food to the impoverished in Asia, Africa, and Latin America. A check for that amount was recently presented to Oxfam's Boston headquarters.

Oxfam began in England in 1942 as the Oxford Committee for Famine Relief. In 1970 Oxfam America was formed as an independent U.S. associate of the British agency.

Organizer of the effort was the Newman Club of SMU, an organization of students dedicated to the wider appreciation of the teaching of the Catholic faith in their private and social lives, under the direction of its president, Michael Maguire, and its advisor, Sister Madeleine Tacy, O.P., and with the cooperation of Al Bagge, director of dining services at the University.

Fasting for the third world is just one of the outreach programs of the Newman Club. The students have also played big brother for a day to children from St. Mary's Home of New Bedford. In another effort they organized a bike-a-thon to raise money for food baskets for needy families in St. Anthony's parish on Thanksgiving Day.

Animal Health Clinic

For pet-owners who may not ordinarily avail themselves of a veterinarian's services, the Plymouth County K-9 Club, with the cooperation of Dr. Michael Lappin and his staff, will be holding an Animal Health Clinic this Sunday, April 18th, from 1 to 4 p.m. at the Mattapoisett Fire Station, Route 6.

The purpose of the clinic is to promote bet-

ter health in all pets and to inform the public about the importance of innoculations.

The innoculations offered are:

RABIES - 1 year type for puppies under 1 year old.

RABIES - 3 year, as a booster for older dogs.

PARVOVIRUS (modified live) - manufacturer recommended as yearly dose. If it is the first time your dog is receiving this shot it is important that the dog have a follow-up in about two weeks or as soon as your own veterinarian recommends.

HEARTWORM TESTS - Results same day - All dogs born before last November 1981 should be tested for heartworm. If the results are negative you should then begin a daily dose of preventative which can be obtained at your veterinarian's office. The medication should be continued until after the end of the mosquito season. In order to receive the results on the same day we ask your patience as there will be a short wait.

For further information you may call any of the following numbers: 748-2147, 758-9214, 295-4929 or 996-4562.

"OLD BOOKS AND THEIR VALUE"

On Thursday evening, April 22, at 8 p.m. the Westport Historical Society welcomes Dr. Francis G. Walett to present some interesting material about "Old books and their value". With 35 years' experience in buying and selling old and rare books, Dr. Walett will discuss such issues as: Problems in Identifying a First Edition; Importance of Condition; Types of Collectible Books; Importance of Bibliographies for Collectors; Importance of Auction Records; Judgement.

Along with the experience as professor and lecturer at such universities as Boston, Northeastern and Clark, Dr. Walett brings to us the expertise of author and editor of such publications as "The Press & The American Revolution", "Diary of Ebenezer Parkman", "Massachusetts Newspapers and the Revolution" and "The Boston Gazette 1774", to mention only a

will be held at the YWCA Standish House, 20 South Sixth Street, New Bedford on Saturday, April 24, from 2 to 4 p.m. to culminate National YWCA Week.

Dr. Florence L. Mahon, current YW president, has invited ten past presidents of the YWCA to be honored for dedicated service to the community on behalf of women and and girls. Past presidents include Mrs. Edward T. Sears, Mrs. William L. Jenney, Mrs. John Drinkwater, Mrs. Frank E. Dixon, Mrs. Louise C. Sawyer, Mrs. Mabel Whitaker, Sister Rosellen Gallogly, Mrs. Doris D. Bruce, Mrs. Bonnie Werly and Ms. Rosemary Medeiros.

All volunteers who worked with these presidents and present and past YWCA members are invited to attend.

JOB-SEEKING SKILLS

Any woman who has lost her principle source of income due to death, separation or divorce, who must now seek employment with little labor-market experience, is invited to a free Job-Seeking Skills Workshop at the YWCA. The workshop, sponsored by the YWCA Displaced Homemaker Center, will be held at the YW on Tuesday, April 27, from 2 to 4 p.m.

"...When the Rainbow is enuf"

BROADWAY PLAY TO BE PERFORMED AT SMU

"For Colored Girls Who Have Considered Suicide/When the Rainbow is Enuf" -- the Broadway play which was also adapted for PBS television -- will be performed at Southeastern Massachusetts University on April 16, 17 and 18 at 8 p.m. in the Recital Hall of the College of Visual and Performing Arts (Group VI) Building.

The play, called a choreopoem by its author, Ntozake Shange, is directed by Professor James M. Nee of the SMU English Department. The cast includes students and staff from the University and members of the community.

"Miss Shange", according to the New York Times, "writes about being black and, more specifically, about being a woman. She writes about pain and sadness and joy, all within the general context of what she sees as 'the struggle against patriarchy'. The play employs seven women to represent a broad range of personalities weaving in and out of key moments in their lives."

The work began as poems that were read in San Francisco bars around 1970. These evolved into a stage production in the mid-

1970's that eventually appeared on Broadway and on a national tour. The stage version makes use of poetry, prose, music, and dance to relate the experiences of its female characters.

"The strength of Miss Shange's work is in its language, in its ability to capture the sounds and cadences of contemporary black America", a reviewer wrote.

Artist, teacher, and political activist, Shange is the author of several other plays which have been produced in New York City.

In the cast of the SMU production are Margaret Scott, Colleen Pina, Gwendolyn Morris, Jean Costa, Delcie Palmer, Darlene Spencer, and Diane Silva.

The play is sponsored by the SMU English Department and Black Student Union.

"My Fair Lady"

"My Fair Lady" will be presented by the Southeastern Massachusetts University Theatre Company on April 29 and 30 and May 1 and 2 at 8 p.m. in the SMU main auditorium.

"Based on Bernard Shaw's most popular comedy, 'Pygmalion', 'My Fair Lady' by Lerner and Loewe has proved to be one of the most successful musicals of the generation in large part because it preserves the spirit of the original play while adding to it a matchlessly melodic score," said Director Angus Bailey.

In the cast are Bob Powers, Linda Nelson, Tim Hickey, Melanie Snipes, Mark Contardo, Corey Araujo, Christine Romeo and 34 dancers and chorus members.

Lighting designer is Ed Gordon and costumes are by Melanie Snipes.

Ticket information may be had by calling the Theatre Company office at 999-8167.

Parkwood Hospital

The open house scheduled for Tuesday, April 6, by the Parkwood Counseling Center and Parkwood Alcoholism Treatment Services has been rescheduled for Tuesday, May 11, from 3:00 to 5:00 p.m., which is during National Hospital Week.

Mental health and school guidance professionals, social service agencies, and industrial health organizations have been invited to the event in the Physician's Center on the grounds of Parkwood Hospital to learn about the comprehensive range of services now available to the community.

Children's Museum

SENIORS DAY

April 14th will be "Seniors' Day" at the Children's Museum. All Seniors are invited to come to the Museum and tour the grounds and enjoy our wealth of Spring Flowers. For three weeks every April the flowering bulbs, planted by Mr. Raymond Peetey, bloom in continuing waves of color. First, the white snowdrops, then blue Scilla and Chionodoxa, then crocus and finally daffodils, primroses and tulips. Seniors may come at 1:00 p.m. for guided tours and refreshments. This event is free except for a minimal charge for refreshments. We hope that conditions will be right for the flowers to

there will be a "HIKE AND PICNIC" with the staff of the Children's Museum. Those attending should meet at the Museum at 10:00 a.m. with a picnic lunch, good hiking shoes and clothing suited to the weather. Binoculars and field guides might also be a good idea. We will provide transportation to the hike site and plan to return to the Museum around 2:30 p.m. This event is open to all good hikers age four and up. No rain date is set. Please note: If the Easter Egg Hunt of April 10th is rained out, it will be held on April 20th and there will be no Hike and Picnic that day.

April 21st will feature a program by SMU weaving major, Terry Buck, on "WEAVING AND FABRIC". Children who attend will have a chance to see types of looms and have first-hand experience in seeing a piece of cloth being created. Examples of different fabric will be explored and children will participate in weaving activities. Registration is required for this program which is open to six year olds and up. The program starts 2:00 p.m.; a small admission for non-members.

Whaling Museum Docent Leonard Pierce will entertain us with a slide show and talk on Thursday, April 22nd, at 2:00 p.m.

"THE STORY OF WHALES" will be the topic

April 21st and 22nd, the general public is invited to come and see the flowering bulbs at the Children's Museum. The Scilla, Chionodoxa, crocus and daffodils should still be in bloom, so come for a Spring morning walk. Both walks start at 10:00 and are free.

Children 4 and up are invited to come and Learn the Constellations with John Briggs from the New Bedford Astronomical Society. Being able to recognize constellations is something children enjoy and feel proud of and remember for the rest of their lives. This program is at 2:00 p.m. and a small admission is charged non-members.
